

How To Train Your Ward Choir

- 1. Pray and carefully select music that is appropriate for your Sacrament meetings and your choir.**
- 2. Study the music in detail and learn it well so you will be prepared to teach your choir.**
- 3. Before you start your rehearsal, warm-up your choir.**
- 4. Teach your choir the 3 V's - Vowels, Volume and Vibrato.**
- 5. Each choir member should always bring a pencil to rehearsal.**
- 6. As you teach your choir the music, have members write in breath marks, dynamics and any other markings you want them to remember.**
- 7. Be confident in your conducting and share your love for the music!**
